

# PROFESSIONAL

## **Job Store Professional, a recruiting partner that is in the business of getting to know yours.**

We are dedicated to understanding the unique skills sets that your company requires. From contract to direct hire, let us help you find the right talent, so you can get your work done on time and within budget.

### **We take your success personally.**

At Job Store Professional, each position is a unique opportunity to help your business thrive. That's why we thoroughly assess candidates before introducing them to you. Our goal is to help you find the right person for the job as quickly as possible- every time.

We don't just look at job boards to find the best talent. Our experienced recruiters rely on their internal network, direct recruiting, and referrals to find candidates that were not actively job hunting.

The result- you get the right talent the first time and avoid costly hiring mistakes.

### **We make quality a top priority.**

**Job Store Professional provides talent in the areas of:**

HR/Management  
IT staffing –  
*all levels*  
Accounting  
Scientific  
Creative
